Answer

MINISTER OF HUMAN RESOURCE DEVELOPMENT
(SMT. SMRITI ZUBIN IRANI)

(a) to (e): Yes, Madam. There are many complaints of increasing presence of coaching centres, although there are no accurate estimates of the business turnover of the coaching institutions. The Government does not consider this as a healthy trend and is committed to strengthen the school education system. Efforts are being made to make the education system and the entrance examinations related more on the class syllabus so as to reduce dependence of students on such coaching.
